KUTLWANO TAU

BSC COMPUTER SCIENCE STUDENT | UNIVERSITY OF PRETORIA

ABOUT ME

Motivated and goal-oriented Computer Science student with strong problem-solving and technical skills. Adaptable, quick to learn new technologies, committed to continuous personal and professional growth. Experienced in teamwork, leadership, and managing tasks effectively in fast-paced environments.

COMPUTER LITERACY PROGRAMME | VOLUNTEER

- Volunteered in a computer literacy programme aimed at improving digital skills among learners from underserved and rural communities in Gauteng.
- Assisted learners in developing foundational computer skills and becoming comfortable with everyday computer use.
- Provided guidance on common software applications and basic digital tools.
- Supported learners in developing practical, lifelong digital skills to improve their academic and future employment opportunities.
